

SECRET

STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : Top Secret Control Officer, OSD

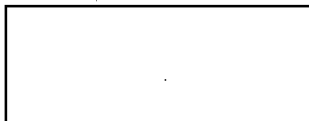

DATE: 1 June 1949

FROM : Chief, Security Branch

SUBJECT: TOP SECRET COURIERS

AND Security Officials have advised that the [] Top Secret Couriers of OSD who deliver and pick up classified material at the Atomic Energy Commission will require an appropriate ("Q") clearance for the handling of this material.

The Couriers in question are as follows:

There are attached hereto Personnel Security Questionnaires and Security Acknowledgments. It is requested that each of the Couriers execute an original and six copies of the Personnel Security Questionnaire and one copy of the Security Acknowledgment. There is submitted an extra copy of the Personnel Security Questionnaire for the personnel records of the individuals. Please have the completed forms returned to this office for transmittal to the Atomic Energy Commission.

The question of placing the above Couriers on the Preferred Visitor List at the Atomic Energy Commission will be given consideration when appropriate "Q" clearances have been granted in connection with their official duties.
